Bill and Angela,

Attached is the draft FY15 PPG workplan, Section I for WQS tasks. It is very similar to the FY14 tasks, with a few changes to 1.C shown in track changes format. Please let me know if you have any **comments or suggestions by Friday noon, April 18** deadline set by Ken Fisher.

I also want to let you know that Brock and his wife have a new baby boy, born on Saturday, April 12 at 2:06 PM. Baby and mother are both doing well and will be home soon.

For the next couple of weeks Brock will be on leave. Please make sure that email or calls go to Denise or I, so we can make sure to get back to you quickly.

Thanks,
Nancy
